

THE GATHERING

December 27-30, 2017 at the Radisson/Lansing Center

The Gathering is an opportunity for groups of high school aged youth and young adults ages 18-25 to experience four days of service, leadership and community. Convening for its 35th year, The Gathering offers participants an opportunity to experience meaningful worship, engage in small groups, serve others, grow in faith, and have a blast!

Participants have opportunities to be small group leaders, serve as peer ministers, lead worship, make a difference in the world through service, and form community with other youth from Michigan and beyond!

2017 THEME

Isaiah 58: 5b-11

What does it mean for our lives to truly follow Christ? What kind of change can we bring to the world when we do? How do we find our voice and the strength to boldly love others, serve others, and walk alongside others in a world that continues to embrace division?

The rebellion we are seeking isn't rooted in hate or violence. The rebellion we are seeking is rooted in Christ's Kingdom. In Christ's Kingdom the sick are healed, the mourning find joy, the homeless find shelter, and the oppressed are lifted up. Christ has set us free to be a light to others. This is the rebellion we seek.
