

## Things to bring to Stony Lake:

### Forms:

- For the smoothest check-in experience on your child's day of arrival to camp, filling out the forms as instructed through your online registration login is the most efficient solution. Please complete your child's forms prior to 1 week from their date of arrival.
- If you miss the opportunity to complete forms for your child prior to 1 week of their arrival at camp, you may download paper versions of forms, complete them, and send them with your child to turn in upon their arrival. Incomplete or missing forms may hinder your child's camp experience. Please complete them in a timely fashion.
