RESTORING **JOY**

LIVING WATER

THE NEWSLETTER OF LIVING WATER MINISTRIES

FALL 2022 | RECLAIMING AND RESTORING JOY

LIVING DIFFERENTLY IN PURSUIT OF JOY

One of my favorite things to do in the summer months is to walk out to the field at Stony Lake and listen to the clamor of camp as all the campers prepare for bedtime. The sound of the breeze rustling through the leaves beautifully blends with the sound of footsteps heading to the bathhouse, closing cabin doors, laughter, and singing.

Even though each day at camp is filled with worship, prayer, bible study, and faith-filled campfire songs, it's amidst this low hum at the close of the day that I feel God's presence most profoundly. In this moment I find myself overcome with a deep and abiding sense of peace, joy, and thankfulness. Time feels as though it moves more slowly, and I'm granted the opportunity to truly savor the moment.

The gift of the camp experience is that it provides these kinds of moments not just for me but for every member of the community by inviting them to a different way of living. Camp invites all who attend to leave behind the demands and distractions of their daily lives and invites them to slow down so they might experience God in the breeze, in the trees, in the water, in the sunset, and in each other.

Free from the burdens of daily life and immersed in a community where God's love runs rampant, every member of the camp community has the opportunity to discover the liberating feeling of being loved, valued, cherished, and accepted just as they are. As a result of this liberating discovery, every member of the camp community has the opportunity to experience a profound and life-changing sense of joy.

Friends, the world in which we live needs more joy. Specifically, the world in which we live needs more of the joy that comes with knowing that we are redeemed and restored through the promise of new life we receive in Jesus Christ.

The work God is doing at Living Water Ministries is about sharing this joy. As Living Water Ministries moves into 2023, we do so with a renewed and inten-

tional focus on restoring joy in the lives of all who engage our programs. Through this joy-filled endeavor we hope to strengthen and enhance our approach to creating a welcoming, inclusive, and accessible place apart that encourages participants to live differently as they share and experience a love for God and neighbor.

The world in which we live is changing rapidly, and throughout these challenging years of pandemic you have helped and equipped Living Water Ministries to respond with faithful innovation. Your support has assisted us in restoring momentum lost to the pandemic, restoring hope as we reinvest in our camp facilities, and restoring community as we make camp increasingly accessible to all of God's children.

I invite you to walk alongside us this year as we do the holy work of restoring joy so that lives and the world might be forever changed by God's love and the way we are called to share that love with one another in a spirit of joy.

Friends, it's time. It's time for joy.

BRIDGE BUILDING COAST TO COAST

The mission of Living Water Ministries centers our work on "bringing together all of God's children." One of the most far-reaching and profound ways that mission is made real is through our Bridge Builders program. Bridge Builders is an extremely unique and powerful program designed to develop leaders better equipped to address the ills of racism at play in the world. Since its inception, Bridge Builders has gathered students together from 15 different states, often providing full scholarships and covering travel expenses for those in attendance.

Our 2022 Bridge Builders cohort hosted students from Michigan, Illinois, Pennsylvania, Ohio, and Oklahoma. The racial, cultural, and geographic diversity present at Bridge Builders allows for deep and meaningful engagement as students explore the realities of racism, our call as people of faith to fervently pursue a love for neighbor that dismantles all forms of oppression, and our call to create spaces of humility and learning where people from all walks of life might authentically experience God and each other.

NATIONAL REACH

Since its inception, Bridge Builders has welcomed campers from 15 states!

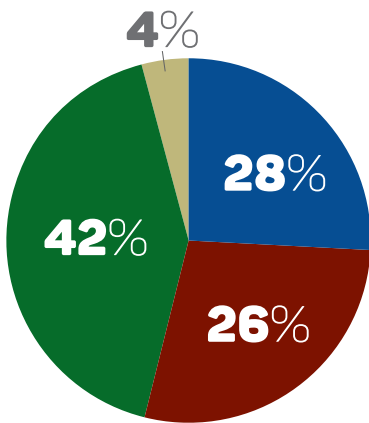

LWM MISSION

Bringing together all of God's children to experience Christian community, grow in faith, develop leadership skills, and serve others.

FREE TO LOVE, LEARN, PRAY, AND PLAY

We joyfully returned to summer programs in 2022 after two years of cancellation due to COVID-19! Not only did we return to summer programs in 2022, but every program we offer was made available to every camper at no cost! Hundreds and hundreds of campers were able to access a week of camp with no financial barriers; free to love, learn, pray and play together. After two years of silence on the grounds of Stony Lake, the sounds of campers singing, swimming, praying, gathering in the dining hall, and zipping down our zipline was medicinal.

The camp experience has always been a gift to all those who attend, providing an experience where campers are free to learn about God, themselves, and each other. The camp experience instills in campers a deep sense of love, acceptance, and belonging that is joyfully intoxicating and life-changing. Free to grow alongside one another as they are, campers come to understand the gift of God’s love in Jesus Christ more deeply while also learning how to joyfully lead and serve in response to receiving that love. The camp experience is also a gift to the world as our campers depart each week empowered to share God’s love with a world in desperate need of receiving it.

REBOOTING RETENTION

We saw a significant increase in younger campers in 2022, a strong metric as we work to reboot year over year camper retention interrupted by the pandemic.

THE LIFE-CHANGING JOY OF COMMUNITY

Community is at the core of what we do at Living Water Ministries. It’s in community that participants in our programs experience the love of Christ in and through each other. It’s also in community where they learn to share that love of Christ with the world through their leadership and service. There’s a unique joy that comes with a deep sense of belonging and unity, and that joy is evident on the faces of those who participate in our programs.

A WORD OF THANKS TO OUR DONORS

“Thank you for allowing us to be in a space where we can grow, not only with God, but also as a community. Through your contributions, I was able to create memories & friends that will last a lifetime.”

ASTONISHING FEETS (PUN INTENDED)

Run the Race is our annual fundraising drive, bringing together runners, volunteers, and donors to rally support for Living Water Ministries every fall since 2018. While Run the Race serves as great way to raise money to fund our mission and vision, it is also an extremely joyful and powerful experience of community. On September 23-24, 2022, 42 runners and volunteers came together to accomplish a shared goal, inviting hundreds and hundreds of donors to join with them to accomplish something truly astonishing. Our efforts in 2022 have yielded \$104,000.00 in generosity, providing further stability for Living Water Ministries to continue to pursue excellence and our bold approach to outreach.

Since 2018, Living Water Ministries has raised \$375,192.24 through our Run the Race event! In addition, largely through our Run the Race efforts, we have also grown our donor base by over 1000%! What we've accomplished together is a testament to the power of community, and the way God uses community to change lives and the world. Because of the generosity of so many Living Water Ministries continues to find its footing on solid ground, providing the stability required to respond to an ever-changing church and world with faithful innovation centered in God's love.

BEYOND THE SPEED OF SANE

Chris "Armpit" Paliewicz, Nicole "Afterburner" McCarthy, and C.J. "Sweathog" Clark soared above their fundraising goals by inspiring an additional \$8,451.38 in donations through The Danger Zone Challenge. As a result of their success, joy was brought to onlookers as they each ran part of the race in a flight suit and aviator sunglasses.

TEAM BASECAMP

Run the Race isn't about being able to run, it's about caring deeply about the work God is doing at Living Water Ministries. A new addition to our efforts this year was the recruitment of Team Basecamp, a committed group of people who engaged our efforts in a variety of alternative ways (many remotely), rallying their individual networks to support our programs with inspiring generosity.

It truly takes a village to make our annual Run the Race event happen successfully, and this year we would not have been able to cross the finish line without Team Basecamp's support.

A TALE OF TWO RAGNARIANS

Pastor Matt Smith loves what God is up to at Living Water Ministries, and has long desired to join our Run the Race efforts. Pastor Matt also lives with Multiple Sclerosis, limiting his ability to be a traditional runner. When we asked Pastor Matt to join Team Basecamp, he emphatically accepted the invitation and immediately coordinated with runner Dan Carlson who would be running through Frankfort, MI where Pastor Matt spent much of his childhood.

Each time Dan set out to run his miles along the West Michigan lakeshore, Pastor Matt would simultaneously log the same amount of miles on his recumbent bike near his home in Okemos, MI. Together, these two individuals not only created a cooperative, inclusive, and inspiring way to physically challenge themselves, but they also exceeded their individual fundraising goals in support of Living Water Ministries!

CAMP LIFE

New additions made in 2022 helped make camp more joyful than ever before!

HAMMOCKS

Through a generous gift from the Mt. Zion Foundation, hammocking has been installed at every cabin at Stony Lake.

ICEBERG

Our new inflatable iceberg was made possible through a generous gift from Hope Lutheran Church in Farmington Hills.

A BENCH FOR BEAN

Jill "Bean" Heather loved the people in her life with fierce passion. As a camp counselor at Stony Lake (1993-1995), she showered campers and staff alike with accepting grace that made each person feel welcomed and cared for. Quick-witted and loyal to the people in her life, Jill touched lives in such a way that even after more than 25 years, former-staffers felt a deep loss when she died. In order to honor her friendship, her ministry, and deep care for others, her friends gathered funds for a bench, a new fixture at the camp that changed all of their lives for the better. It is their hope that this bench will be a place where people might experience Christ by forming meaningful bonds with one another, sharing the hope and an openness to others exemplified by Jill's life and ministry. Jill served the people of Michigan as counselor, chaplain, pastor and friend.

Pastor Jill Heather
1974 - 2020

This new installation at Stony Lake was custom designed and crafted by Matt Cutting, who currently serves as the Facilities Director at Stony Lake and who served alongside Jill while on summer staff at Stony Lake in the 90's.

JOYFUL GIVING. JOYFUL LIVING.

The support of our donors continues to strengthen and inspire the work God is doing through Living Water Ministries. Because of the generosity of so many we’ve been able to take bold steps to make our programs increasingly accessible to all of God’s children, invest in new facilities designed to be inclusive, and strengthen programs with our emphasis on faith formation, service, leadership, and community. In 2022, hundreds of participants came to know the love of God as they experienced Christ in each other and in themselves. Thank you for your support!
