## RUN THE RACE

TEAM BASECAMP

Hi Sandy,

This is the 4<sup>th</sup> year that I'm a part of Living Water Ministries' Run the Race event. We've been able to accomplish a lot of good during this time, including giving the camp experience as a gift to every camper who came to Stony Lake Camp this summer (plus each camper received snacks at the camp store every day and a really cool t-shirt!) While I am NOT interested in running, I am very interested in supporting what God is up to at Living Water Ministries. Team Basecamp is a group of 12 people who care tremendously about LWM and the work LWM does in the name of Christ. Each team member has committed to raising \$2,000 each to help Living Water Ministries reach its \$78,000 fundraising goal. Together, this team is physically supporting our runners by driving vans, preparing meals, serving as safety officers, managing social media, and loving our neighbors by staffing a water station and volunteering at run exchanges enroute for all who will be participating in the Ragnar Relay Road Race along the shores of Lake Michigan this fall.

I, too, am committed to raising funds for Team Basecamp and am asking 20 people to give \$100 each to help reach this goal. Would you be able to support me in this effort and in turn help hundreds of kids in the year to come? Here's some info on LWM and how your donation will make a difference:

### TELL ME ABOUT LIVING WATER MINISTRIES.

In short, Living Water Ministries provides faith-based summer camp programs on beautiful Stony Lake in New Era, MI. However, what we do isn't that simple. Beyond providing the traditional "kumbaya" camp experience, we attempt to utilize the camp environment to create what we call "sacred communities." In these sacred communities, participants from all walks of life come to know that they are loved and valued by God and each other for exactly who they are. Whether we're serving students from congregations, children in foster care, families experiencing homelessness, adults with developmental disabilities, or training multicultural & anti-racist leaders from all over the country, we believe God is changing the world through the communities we gather as we emphasize faith formation, service, leadership and community.

### HOW DOES MY DONATION MAKE A DIFFERENCE?

**Free Camp** | Every camp program we offer at Stony Lake is free to attend in 2022. Your gift helps make this possible.

**Renewed Facilities** | Our new duplex cabin will be completed in April of 2022. Your support helps make future phases of our facility renewal plan a reality.

**Partnerships** | We do this work alongside partner organizations serving marginalized populations. Your generosity helps establish these relationships.

**Innovation** | Our programs are nationally recognized and award winning. Your donation helps provide the environment for continued innovation to occur.

The easiest way to give is online, just scan this QR code with your phone's camera and follow directions:
