

Hey friends!

For the last couple years I've been a part of a fundraising race to support a great organization. Living Water Ministries offers summer camp and other youth programs that create space for students to grow in faith while having loads of fun. In all my years of ministry, some of my most powerful moments working with youth have occurred at camp. I can't speak highly enough about the way Living Water Ministries shares the love of Christ with hundreds and hundreds of kids each summer.

This year I committed to being a part of this effort again, but now find myself unable to be a runner. While I won't be putting in the literal miles, I'm hoping you can help me put in the figurative miles by helping me still raise funds to support the work God is doing at Living Water Ministries. As a previous supporter of my running efforts, I'm hoping you might consider making a similar gift this year. You gave \$100 in my name in 2021.

Know that your generosity supports a great organization trying to share God's love with as many people as possible (camp was free for all participants in 2022!).

Thank you for considering a gift!

Remember, nothing can separate you from the love of God in Christ Jesus!
