THE NEWSLETTER OF LIVING WATER MINISTRIES

**TRANSFORMING LIVES
AND THE WORLD**

FALL 2023 | THE POWER OF COMMUNITY

JOY, BELONGING, AND ACCESSIBILITY

After the conclusion of their week of camp, a camper went home and posted on social media that “Camp helped me find my smile again.”

Another camper put on their camp evaluation that “The kindness and love at this camp has helped me to realize I’m not alone, and I’ve felt alone for too long.”

Both quotes warm my heart to know that camp was a place for these children to find joy and belonging. Both quotes break my heart to know that these children struggle to feel joy and belonging in their daily lives.

We’re living in challenging times that come with a heaviness that steals life from people, including our kids. Division feels like it’s at an all-time high, trust feels like it’s at an all-time low, conflict abounds, and it seems as though loving our neighbor is becoming increasingly out-of-style.

In the midst of all this heaviness, mental health issues are on the rise. Anxiety and depression have an increasing grip on people, especially children. Reports among adolescents of persistent feelings of sadness and hopelessness, resultant substance abuse, and suicidal ideation and/or attempts are climbing.

The world just simply feels broken.

Too often, we feel broken too.

I believe the heaviness of our present time, mixed with our increased sense of brokenness, provides the strongest case ever for the importance of the work God is doing through Living Water Ministries.

Central to that work is the bringing together of all of God’s children for life-changing and world-changing experiences of faith and community. Experiences that cause a sense of joy and belonging to erupt around us and within us in life-giving ways.

Through this newfound sense of joy and belonging, campers discover that while they are imperfectly bro-

ken, they are perfectly loved by God. Through the communities we form, they experience that love in real-time with and through each other.

One of the greatest gifts in my life is that I’ve been given a front-row seat to witness the transformational power of God’s love expressed through community week after week, summer after summer.

These transformational moments, like those captured in the quotes I shared from a couple of our campers, are the “why?” of what we do at Living Water Ministries. It’s the moments where a camper discovers their smile again, or discovers they’re not alone, that make every penny of our entire budget worth it.

Everything you’re about to read in this newsletter is driven by our desire to make these moments happen, and to make them as accessible as possible for all of God’s children.

To maintain our Welcome to All pricing structure that provides camp families the choice of full price, half price, or no price requires significant effort and generosity. To continue to build new, inclusive, ADA accessible facilities requires significant effort and generosity. To provide strong leadership through our seasonal and year-round staff requires significant effort and generosity.

All this effort and generosity are worth it because campers continue to discover the sense of joy and belonging we all so desperately crave.

Thank you for being part of making all this possible. Thank you for being a part of the Living Water Ministries community. May it help you rediscover your smile, and remind you that you are not alone.

A SUMMER TO REMEMBER

Since 1945 God has used the summer camp experience at Stony Lake to bring people together in creation, offer them opportunities to grow alongside one another, and provide a means for the discovery of joy. Our 2023 summer season continued this fine tradition, inviting campers to discover the challenge, rest, and fun found at camp.

In these strange and anxious times in which we are living, the camp programs we provide offer much needed respite through new and classic activities. Through these activities campers make meaningful memories as they learn they are not alone, that they are loved by God and others as they are, and that they are capable of more than they imagined.

PRICE ISN'T A PROBLEM

Our mission calls us to serve all of God’s children, and we believe the best way to do that is by making camp financially accessible to everyone. Our Welcome to All pricing structure allows families to choose between full price, half price, or no price when registering for summer programs at Stony Lake. This financial freedom has been made possible by the generosity of our donors who have responded to our 1:1 matching gift campaign. Every dollar donated, up to \$62,500, is doubled until January 31, 2024! Help us finish strong to keep financial accessibility a reality!

BE A LEADER. FIGHT RACISM.

The vision of Living Water Ministries calls us to “create communities centered in Christ to transform lives and the world.” At the forefront of this vision is our anti-racism and leadership training program called Bridge Builders. Bridge Builders convenes students grades 9-12 from all over the United States to create a sacred space where race and culture are uniquely celebrated as people of faith. In this sacred space, systems and history are explored as we learn more about joining in the faithful tradition of resisting oppressive and life-stealing forces, while leaning into Christ’s command to love others as we love ourselves. Both lives and the world are changed.

A BEAUTIFUL BIRTHDAY GIFT

Shirley Moerdyk is a member of St. Paul Lutheran Church in Greenville, MI who recently turned 80. To celebrate her birthday, Shirley invited friends and family members to make donations to Living Water Ministries through our 1:1 Welcome to All matching gift campaign. Collaborating with us to set up her crowdfunding page through our fundraising tools, Shirley exceeded her goal of \$1,000.00 by raising a total of \$1,448.71! These donations have been matched dollar for dollar, resulting in nearly \$2,900.00 in scholarships! Thank you Shirley!

Bringing together all of God’s children through our Abundant Life program is a joy-filled week of love and laughter. Campers and staff bask in this week of smiles and community for adults with developmental disabilities.

GOING THE EXTRA MILE

\$128,637.39 RAISED
FOR LIVING WATER MINISTRIES

What began as a modest fundraiser in 2018 has grown into an annual event that fuels the engine of mission and innovation at Living Water Ministries. Through the hard work and dedication of 49 volunteers, and hundreds of donors, our 2023 Run the Race event was the most successful on record! All told, Run the Race has raised over \$500,000.00 since 2018 and has positioned Living Water Ministries to innovatively provide access to our programs through no cost pricing options, program enhancements, and renewed facilities. We are extremely thankful for all who give of their time and resources to make this ministry possible and available to all of God’s children!

SWEATIN’ WITH THE OLDIES

If being part of a 200(ish) mile relay race wasn’t ridiculous enough, we felt the need to amplify the insanity by promoting our annual Captain’s Challenge. This annual challenge is offered as a stretch goal to inspire fun-filled generosity. Typically, this involves an attention getting costume that inspires laughter, and this year did not disappoint! Chris Paliewicz, Nicole McCarthy, and C.J. Clark raised an additional \$7,306.00 and ran in these 80’s style workout costumes for the whole world to enjoy.

VAN DWELLERS

24 runners, 4 drivers, and 3 safety officers embarked on a journey from Muskegon to Traverse City as participants in the Michigan Ragnar Road Race. This 200(ish) mile relay race over the course of 36 hours is an experiment in physical exhaustion, sleep deprivation, and infectious joy. Each of these individuals not only seized this challenge, but also raised funds in support of the mission and vision of Living Water Ministries.

TEAM BASE CAMP

Run the Race has become so much more than a fundraiser for people who physically run. This event has evolved to inclusively welcome all who wish to commit to raising funds in support of Living Water Ministries. 17 Team Base Camp members collectively raised \$38,708.42 without running a single mile, blasting us through the finish line of our fundraising goal!

TEEN TITAN

This year Team Base Camp had the youngest member ever in Logan Clark (age 17). Logan successfully raised \$2,529.00 for Living Water Ministries, contributing \$300 of his own money!

FUN FOR THE FAMILY

This year, the families of our runner, van support, and Base Camp volunteers were invited to convene at camp for the weekend to experience camp favorites like high ropes, low ropes, archery, campfires, and more! It was a beautiful weekend of community as we raised funds to support LWM!

IN MEMORIAM: EMILY VIELE

In the spring of 2023, while living with the reoccurrence of a rare and aggressive cancer, Emily Viele embraced the opportunity to become a member of Team Base Camp. As she ran the gauntlet of treatments, she was doing her part raising \$2,000.00 so that camp could continue to be a place that is accessible to all of God’s children. Emily understood the power of camp as she had experienced it as a camper, summer staff member, adult leader, and volunteer. While Emily envisioned being at Stony Lake during our Run the Race event this year, she sadly passed away just a few weeks prior. Her spirit was carried by all those fortunate enough to know her.

BINGO FEVER

Over the summer 18 individuals played a non-traditional, gambling-free game of Bingo in support of our 1:1 Welcome to All matching gift campaign. Each player filled their bingo cards with donations from friends and family members, raising \$500 per card. Together, these players gathered over \$10,000.00 in donations so that camp can be financially accessible to all of God's children in 2024! All those who participated in raising these funds, everyone who donated, and all those who will receive the benefits of this generosity are winners who get to shout "BINGO!"
